### **Professional hands on training by Reemake Studio owner, Reema Aulakh**

Thank you for considering the Reemake Studio Certification Program. In this program, all of the latest techniques and secrets are shared with you in an interactive learning experience. Learn the basics and the advanced skills to step up your hair and make-up game.

Highly qualified Master Artist, Reema, is 3X Certified for Make-up Artistry and is also certified in Bridal hair and makeup. Reemake Studio is known for creating dramatic and alluring eye makeup as well as a flawless skin finish.

This program is designed for not only new artists but existing hair and makeup artists as well who want to take their skills to the next level and excel in the growing beauty industry.

Students do not require previous experience as learning takes place in detailed steps beginning with the basics and then progressing to the advanced techniques. Both courses can be customized to the students needs.

## Hair Certification Program: 15 Hours (Costs \$1875)

Hands on training and a step by step demonstration will be shown to create the most flawless hair designs. An instructional booklet will be given to each student and upon completion, a certificate will be rewarded. The Hair Certification Program will cover the topics noted below.

Skills you will learn:

- Knowledge of hot tools and products such as hairspray, hair wax/pomades, and volume powder
- Hair sectioning and basics of curling
- Voluminous/Bombshell curls
- Low and textured updo
- Half up/half down styles
- How to use extensions in any style
- How to use Indian hair jewelry and flowers to complete a style

## Make-Up Certification Program: 15 Hours (Costs \$1875)

Hands on training and a step by step demonstration will be shown to create the most beautiful makeup looks. An instructional booklet will be given to each student and upon completion, a certificate will be rewarded.

A makeup demo on a live model will be shown and the students will then recreate the look with the educator's assistance on the models they bring to class.

The Makeup Certification Program will cover the topics noted below.

Skills you will learn:

- Skin care and preparation for different skin types
- Sanitation of tools and brushes
- Natural and dewy day time makeup glam
- Smokey & intense make-up look
  - our signature Reemake eye makeup
  - 3D glitter eye makeup
- Contour & Highlight
- Colour Correction
- How to work with different eye and face shapes
- Wing eyeliner & false lash application

# Start or Advance Your Career in the Beauty Industry Now!

*Email us at [reemakestudio@gmail.com](mailto:reemakestudio@gmail.com) to book!*

Reemake Studio also provides students with marketing techniques, business strategies and social media tips. You will learn how to establish your brand and create a portfolio to showcase on various outlets. Students will also be taught photography tips to capture their work and network with people in the industry. After 15 hours of hands-on and pro training, students become confident and are able to take their new skills into the beauty world.
